The Hardware Bible's a great place to start if you want to learn how to buy a new PC intelligently. You'll find an updated buyer's guide to the perfect PC as well as detailed guides to digital cameras and small networks. Other sections offer basic information on CPUs and hard drives. One section, called the Living Book, provides online updates to site author Winn Rosch's Hardware Bible; it requires the book itself. (Rosch is an ExtremeTech author.) Instructor-led on a course scheduleOptional upgrade availableThe purpose of this course is to introduce you to the fascinating world of Israel's neighboring civilizations in biblical times. It offers a comparative study that examines the relationship between the Bible and these civilizations. We will discuss a selection of biblical traditions, genres, and themes from a comparative perspective, and show how the ancient Near Eastern materials shed new light on these topics. While the course will refer to a variety of civilizations, a special focus will be placed on Mesopotamia and its relationship to the bible.Language: EnglishVideo Transcript: EnglishA new understanding of the ancient near eastern context of such central biblical themes and genres as: Creation Traditions Flood Stories Tower of Babel Story Law Literature Prophecy Wisdom Lesson 1 : The Ancient Near East: Historical and Cultural Introduction.
